Penelope the Privacy Penguin says to look out for these **email scams**:

- Win a free vacation by filling out a form
- Update your banking information
- Verify your account to keep access

She also says to look out for these details to **spot a scam**:

- Strange-looking email addresses
- Misspelling or grammar mistakes
- Unprofessional layout or design
- Requests for personal information
- Urgent deadlines, unusual requests or threats
- Hyperlinks to unfamiliar webpages (hover over with mouse, don't click)
