

ConRes and AWS Marketplace: Simplifying Software Procurement

ConRes partners with leading software providers to enable scalable, agile infrastructures in a hybrid cloud environment. As an Advanced AWS Partner, we offer exclusive private offers within the AWS Marketplace, ensuring a seamless and cost-effective procurement experience for our customers.

Why Choose ConRes for AWS Marketplace Purchases?

- **Discounted Pricing:** By partnering with us, you gain access to exclusive AWS Marketplace discounts, ensuring maximized cost efficiencies while optimizing your cloud software investments for long-term success.
- **Consolidated Billing:** Managing multiple cloud subscriptions and expenses can be complex. We streamline this process by offering consolidated billing, allowing businesses to receive a single, easy-to-understand invoice that covers all their AWS Marketplace purchases. This simplifies cost tracking, improves financial forecasting and enhances overall budget management.
- **Flexible Payment Options:** Every organization has unique financial needs, which is why we provide flexible payment options that align with your budgetary requirements. Whether it's pay-as-you-go pricing, monthly installments or custom financing arrangements, we work with you to ensure affordability and financial flexibility.
- **Migration Services:** Transitioning to the cloud can be challenging, but our migration services ensure a smooth and secure move to AWS. From planning and execution to post-migration optimization, our team of experts helps businesses migrate applications, databases and workloads with minimal downtime and maximum efficiency.
- **Cloud FinOps:** Cloud costs can quickly add up without proper oversight. We provide cost optimization strategies to help businesses identify and eliminate waste, rightsize resources and take full advantage of AWS cost-saving programs. Our goal is to ensure that every dollar spent on the cloud delivers the best possible value.
